In re Application of :
PEARLMAN, EUGENE S., et al. :
Application No. 09/303,315 :
Filed: April 30, 1999 :
Attorney's Docket No. 108604/002 :

**Director's Office
Office of Patent Publication**

The application was abandoned on July 10, 2006 for applicant's failure to timely file corrected drawings.

In response to the Notice of Abandonment, the Petition to Withdraw Holding Abandonment 37 CFR 1.181 was filed on July 19, 2006. However, the Petition referred to the filing of the PTOL-85, and therefore did not support the timeliness of the Corrected Drawings.

The Notice Of Rescinded Abandonment mailed October 3, 2006 is hereby **VACATED**.

The Petition to Withdraw Holding of Abandonment is **DISMISSED**.
